- a)** Students participating in international programmes aimed at granting DOUBLE/JOINT DEGREE will not be awarded bonuses relating to Summer School activities, examinations or internship activities carried out abroad as part of a Double/Joint degree, regardless of the duration of their stay abroad. The Academic Senate has, however, resolved to grant these students, whose course of study includes a stay abroad of at least one year, a discount of one year in their career for the calculation of any speed bonus for obtaining the degree (see points 1.1, 1.2, 1.3);
- b)** "normal" enrolled students are those who enrol without the recognition of any course credits, including those transferring from another university who make a change of course within the Ca' Foscari educational offer;
- c)** training activities coming from:
- achievement of another degree, university master's degree, PhD;
  - withdrawal or lapse from previous university programmes;
  - single courses taken prior to enrolment;
- d)** for the purposes of attributing the bonus, each year of part-time enrolment is counted as half a year of full-time enrolment;
- e)** excluded for degree programmes that provide for compulsory internships abroad.
